To purchase the review course, participants must email certification@imse.com.

If a candidate has a Bachelor's degree but does not meet all of the above requirements, they may contact certification@imse.com and request a waiver form.

Comprehensive/Comprehensive Orton-Gillingham Plus practicum

How do I apply?

You may submit your application online by logging into your IMSE profile at www.imse.com during the open enrollment period listed below. The button to begin the application is under 'My Certifications.' You will be notified of acceptance no later than 10/15/2022. You will be assigned a Practicum Supervisor at the time of acceptance.

Candidates will receive an approval or denial letter via email no later than 10/15. Please check your spam email if you don't receive an email after two weeks of closing.

How long will the practicum take?

The practicum will take a minimum of six months and must be completed within 12 months. Participants should have access to their practicum student for 12 months without interruption.

Can I use IMSE OG strategies without being certified?

The practicum/certification is not required to implement IMSE OG strategies with students. Teachers may implement these strategies with students after completing an IMSE course. Although certification is not a requirement, some educators wish to pursue certification to meet their professional or personal goals.

Can I work with students virtually?

Yes, IMSE practicum participants can work with students in person or virtually.

If a district pays ahead of time, can IMSE hold slots for their educators?

IMSE has limited space in this competitive program. Therefore, spaces can't be held for applicants. Each applicant must apply for the practicum, and their application will be reviewed. If all available spaces are filled by the time the applicant applies, IMSE will provide a full refund.

How much does the practicum cost?

Total cost \$1975

- A nonrefundable \$100 fee will be assessed for the application fee (regardless of acceptance).
- In addition to the application fee, if paid in full, the practicum cost is \$1875 which includes video observations. This must be paid by the time you submit your first lesson. If an accepted student quits before any observations, a portion of the cost can be refunded. Contact Heather Manley at heather.manley@imse.com for more information. Participants may also have the option of breaking up payments by paying with PayPal.
- If an applicant does not pass the literacy knowledge quiz and requires an Online Coaching session, each session is \$250.
