Freebie Directions

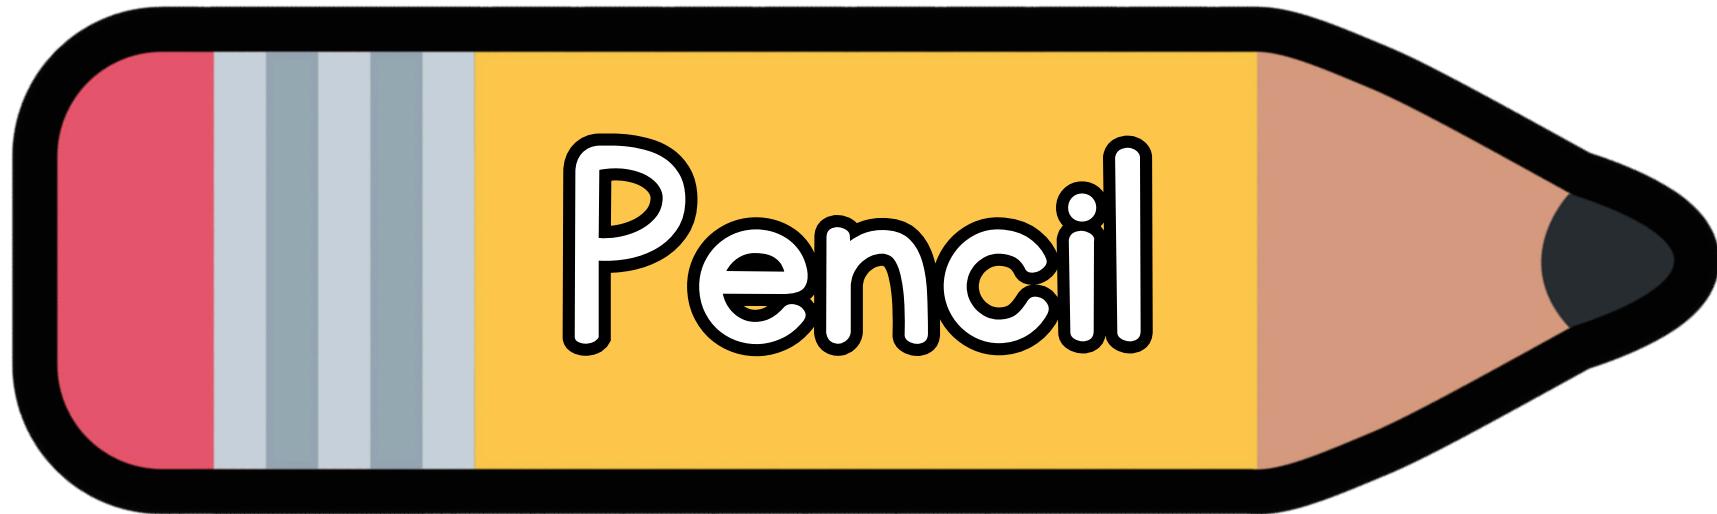

- Print, laminate, and cut out images. Fasten magnets to each if you have a magnetic board in your classroom. Store them close to your board for convenient daily use.
- Ensure that students know the location of all classroom materials.
- Display visuals of the materials on the board as you begin IMSE OG+ routines throughout the day.
- Instruct students to retrieve specific materials from their designated spots in the classroom. Give them a time limit and specify if the materials should be in any particular order on their desks.
- Announce when to switch materials and update the visual on the board accordingly.
- Display the images again and have students return the materials to their spaces.
