My name is Paul. I am from a tiny town.
My gramps and gram have a farm not
far away. I like to go see my gramps and
gram.

My Uncle Saul helps on the farm. They
work on the farm from sunup to sundown.
There are cows to feed, gardens to tend,
and grass to cut. There are trees with
peaches and plums that we sell at the
roadside stand. In the spring, I help
gather and put them in baskets to sell.

At the end of the day, my gram had dinner waiting for us. She had made a peach shortcake as a treat. The cake was complete with whipped cream! It was so good that I asked her to make it again when I come back in August!
