

"The Nonsense Monster"
By Kimberley Collins

A monster who spoke nonsense words
Was sitting next to me,
Eating his curds.

He asked, "Re mu ki?"
I shrugged my shoulders,
Then let out a sigh.

"Fo ni ta," he said.
I didn't get it,
So I just covered my head!

Suddenly he shouted, "Ju be wo!"
He must have been frustrated
Because away I saw him go.
